THERE'S A POINT

where cheapness ceases to be economy and it's a Hunt policy to avoid that extreme. Our good name and the security one enjoys in buying here are far more to us than a few cents of immediate profit on a poor article. Paste that fact on your calendar, for it stands for one of the strongest Hunt assets. It is especially emphasized during this Linen event where quality means life, service, economy, satisfaction.

To read this list means nothing—to see the goods everything. Come in.
